Safeway Network Log In

Step 1: Open a Web Browser window and enter the address: **http://iportal.safeway.com**

Step 2: Type in Username and Password

Step 3: Press the button on the Token to receive a 6 digit code. Type the code into the "Response" field and click Sign In.

Select Realm: **Safeway Extranet - 1**

Note: Only enter 6 digit number shown on the Token in the "Response" window. There is no "challenge string" to enter.

IF LOGIN FAILS:
Call Safeway service desk at **1-877-286-3200**
• Select **OPTION 4** (non retail customer), then **OPTION 2** (password issues)

 A Help Desk person will assist you to correct the problem
